

What is B LIGHT RESTORATION CENTER and its goals?

The mission of B Light Restoration Center is to provide holistic services, tools, and resources which empower individuals to exchange old, self destructive ways of surviving for new, self sustaining ways of living.

The City of Flint's Master Plan states, "...the City must partner with local groups and block clubs to address neighborhood blight and implement beautification programs." SOCS strives to do just that in a creative way where blight is used for something positive and the tool for restoration. SOCS wishes to expand a program that incorporates business for sustainability into the plan and for job creation for those it serves.

Goal 1

- *UTILIZE SALVAGED ITEMS AND DONATED ITEMS AS A SOURCE OF EMPOWERING INDIVIDUALS*

Goal 2

- *CREATE AN AVENUE FOR EMPLOYMENT AND REVENUE*

Goal 3

- *ASSIST INDIVIDUALS IN AREAS OF PHYSICAL, MENTAL, EMOTIONAL, AND SPIRITUAL NEED*

Goal 4

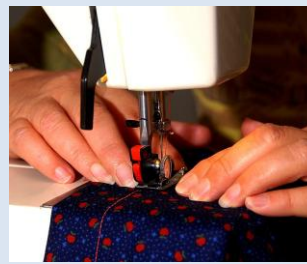

- *PROMOTE COLLABORATIVE SELF SUFFICIENCY*

Goal 5

- *COLLABORATE WITH AND ASSIST OTHER NON-PROFITS AND ORGANIZATIONS*

Goal 6

- *INCREASE DEVELOPMENTAL ASSETS OF THOSE IN THE PROGRAM*

In June of 2014, a man who is frequently seen on the street was asked if he needed prayer for anything. The man responded, "A job". This gentleman's current functionality will not allow him to secure traditional work, but when the plan of B Light Restoration Center was explained to him, he got excited and wanted to participate. B Light Restoration Center will allow him and individuals like him, the opportunity to get off the street, work on something productive, develop skills and developmental assets, see their handmade items sell, and have a sense of value regained.

B LIGHT RESTORATION CENTER IS A MINISTRY OF SHAMMAH OUTREACH AND CONSULTING SERVICES
